

Maidstone Community Group News

Communities in Bloom

Thank you to everyone that visited our Trade Fair booth. We appreciate the donations received in memory of Marg McLaren for the rejuvenation of Memory Lane Park and the support of those individuals that added their names to our volunteer list.

The Cemetery clean up weekend will be
June 2nd & 3rd

Red Hatters

The Red Hatters of Maidstone regret to announce that we will no longer be hosting the Festival of trees. Due to the ravages of time on our bodies and the Snowbirds in our group we have decided to end after 10 very successful years. We hate to see it come to an end and hope that there is someone or some group that would be interested in taking it over or doing something similar. If anyone is interested please contact one of the Red Hatters.

We would like to say a huge Thank you to the residents of Maidstone and surrounding towns and communities, without you we would not have had 10 very successful Festival of Trees.

Thank you.
