

Town of Maidstone

News from the Mayor's Chair – May 2018

TOWN NEWS

The Town Administrator would like to thank the Mayor, Councillors, Town Staff, Hardys, Ed Wandler, Scott Carson and all the others who helped with the Flood that took place on April 20th- 22nd. Thanks to their hard work and extra hours the flood waters were confined to a small section of Town and a potential for massive property damage was avoided.

Our Public Works staff would like to remind everyone to take care when passing them working and to respect the barricades that they have up around town, they are there for your safety as well as theirs.

ELECTION

Our new town councillor is Eleanor Pegg. Welcome to the Town Council Eleanor.

TAXES

Tax notices went out at the end of April. If you pay your taxes before July 31st you will receive a 2% Discount.

SMOKING

With spring finally here, this is a friendly reminder about the Town's Smoking Bylaw.

Smoking is prohibited in all parks including splash parks and within the grounds of any sports field including bleachers. A copy of the Town's bylaw can be found on the Town website and fines start from \$100.

RO SYSTEM

COMING SOON

E-Bills

The response to e-billing has not been as high as we hoped. Out of the 450+ water bills we sent out, we have had less than 30 come back with completed e-billing request forms. As a result of this, unfortunately e-billing is not something we are able to offer at this time.

Liquor Permits: If you are holding an event in a Town owned building where liquor is to be served, then you must request a liquor permit from the Town Council. Request forms can be found on our Town website or from the Town Office.
