SAFETY OF OUR CHILDREN ON TOWN STREETS

There are concerns regarding the speed of vehicles travelling along our Town streets and specifically on 5th and 6th Ave West. The speed limit within Town is 40 km/hour and when you see children nearby.... Please slow down!

PLEASE TURN OFF PERSONAL REVERSE OSMOSIS & WATER SOFTENERS.

With the current Town RO system in operation, your RO and softener are no longer required. In fact, they increase your power & water usage if they are still turned on.
