

TOWN OF MAIDSTONE POLICY MANUAL	SECTION XV – INFRASTRUCTURE
	POLICY – CULVERT REPLACEMENT
	Date of Approval: May 17, 2022 Council Resolution: 157-22
<p><u>BACKGROUND</u> Since 2020, several landowners have requested that culverts on or adjacent to their property be repaired or replaced. As existing culverts continue to age and deteriorate, such requests are likely to increase.</p> <p><u>PURPOSE OF POLICY</u> That requests from landowners concerning the repair or replacement of culverts are acted upon in a consistent and equitable manner.</p> <p><u>PROCEDURE</u></p> <ol style="list-style-type: none"> 1. Written request for culvert repair/replacement is delivered to Town staff. Requests must include detail concerning: <ol style="list-style-type: none"> A. Landowner name and contact information; B. Reason for the request; C. Size, quantity, and location of culvert; D. Contractor and installation schedule. 2. Requests will be approved subject to meeting the specifications necessary to facilitate efficient and effective drainage. 3. Landowners are responsible for all associated costs. 4. The Town of Maidstone may agree to perform all or any portion of the work described in this policy by agreement in accordance with section 405 of <i>The Municipalities Act</i>.
